THE BEST OF TIMES

DEDICATION

Mr. Hockin

Tantus V would like to dedicate this yearbook to Mr. Hockin, a well-liked teacher, and more importantly a friend. Throughout our years at Lakeland, Mr. Hockin not only taught us valuable lessons in English, but also made learning fun and enjoyable. We don't know how we can really thank him for all he did, except by giving him our memories to remember us by. It will be a "shame" leaving him and L.H.S.

*Thanks for being there,
Tantus V Staff*

IN MEMORY OF

John

*John Grzybowski
6-11-83*

*It is one year since you've
been gone,
It really does not seem
that long,
Your face looks the same in
memory,
I wish we could say the same
for us,
Without you has been a strain,
But life goes on and we
live with pain.
What happened to you, is
happening still
Young people get killed,
they always will.
From where you are, please
smile on us.
As we live and work and
hope and trust,
For the empty spot where
you should be
Is a "Special Place" in all
our hearts.*

(M. Purcell)

Mom and Dad

*He was our "Special Friend"
and our memories of him
will always be cherished*

Unforgotten Memories

*You were our friend,
And we shared all the good times.
You were always there
To laugh and to cry with us.
We spent so much time together
Growing up and having fun,
Wondering what we would be
When we got older.
But all that changed
It's so unfair.
All our dreams gone,
But the memories are still strong.
It was so hard to accept your leaving us.
Already a few years have passed by.
Still we find ourselves reminiscing about
the past.
The memories we will always have to
share with one another,
But it will never be the same without you
there
To share them with us.
Still, though you are always there,
We think of you every day.
Though we can't see you,
You're always with us,
Still sharing our lives
In spirit,
And you will stay with us
..... Forever*

SPIRIT WEEK

The Student Council organized "Spirit Week" during the week of March 12, 1984, to show the involvement and spirit of the students at L.H.S. Each class from 7th to 12th participated in competitions, giving the class with the highest percentage of points scored from each, to go on to win money for their class.

Tuesday began "Spirit Week" with "Dress Down Day", The Senior Class was anything but "BUMMED OUT" after winning the first competition. Wednesday, was "Dress Up Day", showing that the Seniors had a touch of class with first place once again. Thursday was "Hat Day" with the Juniors winning by a very slight margin, the Seniors still had the edge. "Color Day" was held the next week, and the Juniors slipped by with first place. Their color of blue was an easy choice for victory; but Gumby would not let the seniors down. Unfortunately, the Seniors did not place in the "Quiet Cafeteria Contest" because they were too psyched to win. The Seniors showed their true spirit but it was the Freshmen who took 1st place that day. The "Button Contest" left the eighth graders feeling great in '88 as they won first place, but "Out the Door in '84" came in as a close second. "Be Nice to Secretaries Week" was an easy win for the Seniors, using their pleasing personalities and polite manners to pull them through for a perfect victory. The Seniors boogied on down the halls and into their classes in record time, thus enabling them another victory in "Change Classes to Music Week". The Freshmen won the attitude check, but the Seniors felt so good, OH! THEY FELT SO GOOD! UUH! coming in second place. The final contest was the "Paper Chain" contest as the Seniors' chain outdid them all, stretching out endlessly, showing the true meaning of spirit. Every link that formed the chain stood for the determination, spirit, and undying faith that each Senior pledged in the Class of 1984.

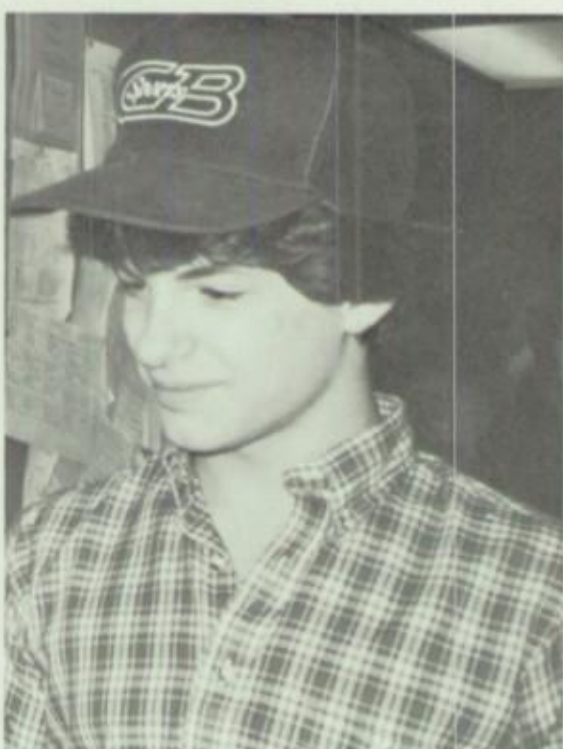

The votes were in, all classes awaited the score, and the winners that held the victory would be, "OUT THE DOOR IN '84"

We would like to extend our congratulations to Michael Dean on his outstanding 4-year basketball career at Lakeland.

Mike connected on 206 field goals and 143 free throws, which was the most made in a single season by any previous player. His total of 559 points established a new single-season scoring record at Lakeland. Mike also scored his one-thousandth varsity career point in a second half game played against Honesdale. His career total was 1159 points.

This season Mike averaged 19.2 points and 8 rebounds per game and had 139 assists, which earned him a berth on the Lackawanna League Northern Division All-Star team for his second year.

The Chiefs advanced to the Lackawanna League Northern Division, PIAA District II Championships, and to the second round of the state finals.

Mike is the first Lakeland basketball player to have his jersey, #43, retired. He will continue his basketball career at the University of Scranton.

TIME TO MOVE AHEAD

*It seemed it would take forever to reach where we are now,
It all happened so quickly, no time to ask just how.*

*Days go by so quickly like the sun setting in the sky,
Life itself is as short as this, no time to ponder why.*

*So to keep these days alive, in our hearts and in our mind,
We'll gather all our special memories—all that we can find.*

*We'll place them here with pride and care, remembering everyone,
To show the world but mostly us, that growing up was fun.*

*On each page that fills this book are memories of our past,
Those of triumph and of tears, memories that shall last.*

*All through our years of growing up, reminders shall be here,
For they are the things treasured most, the things that we hold dear.*

*Yes, our high school days have ended but a whole new world lies ahead,
But our memories shall not be forgotten, they're treasured here instead.*

*And though it all looks big and scary; every step a challenging test.
We'll have this book to look upon and put our fears at rest.*

FRANCINE SASLO

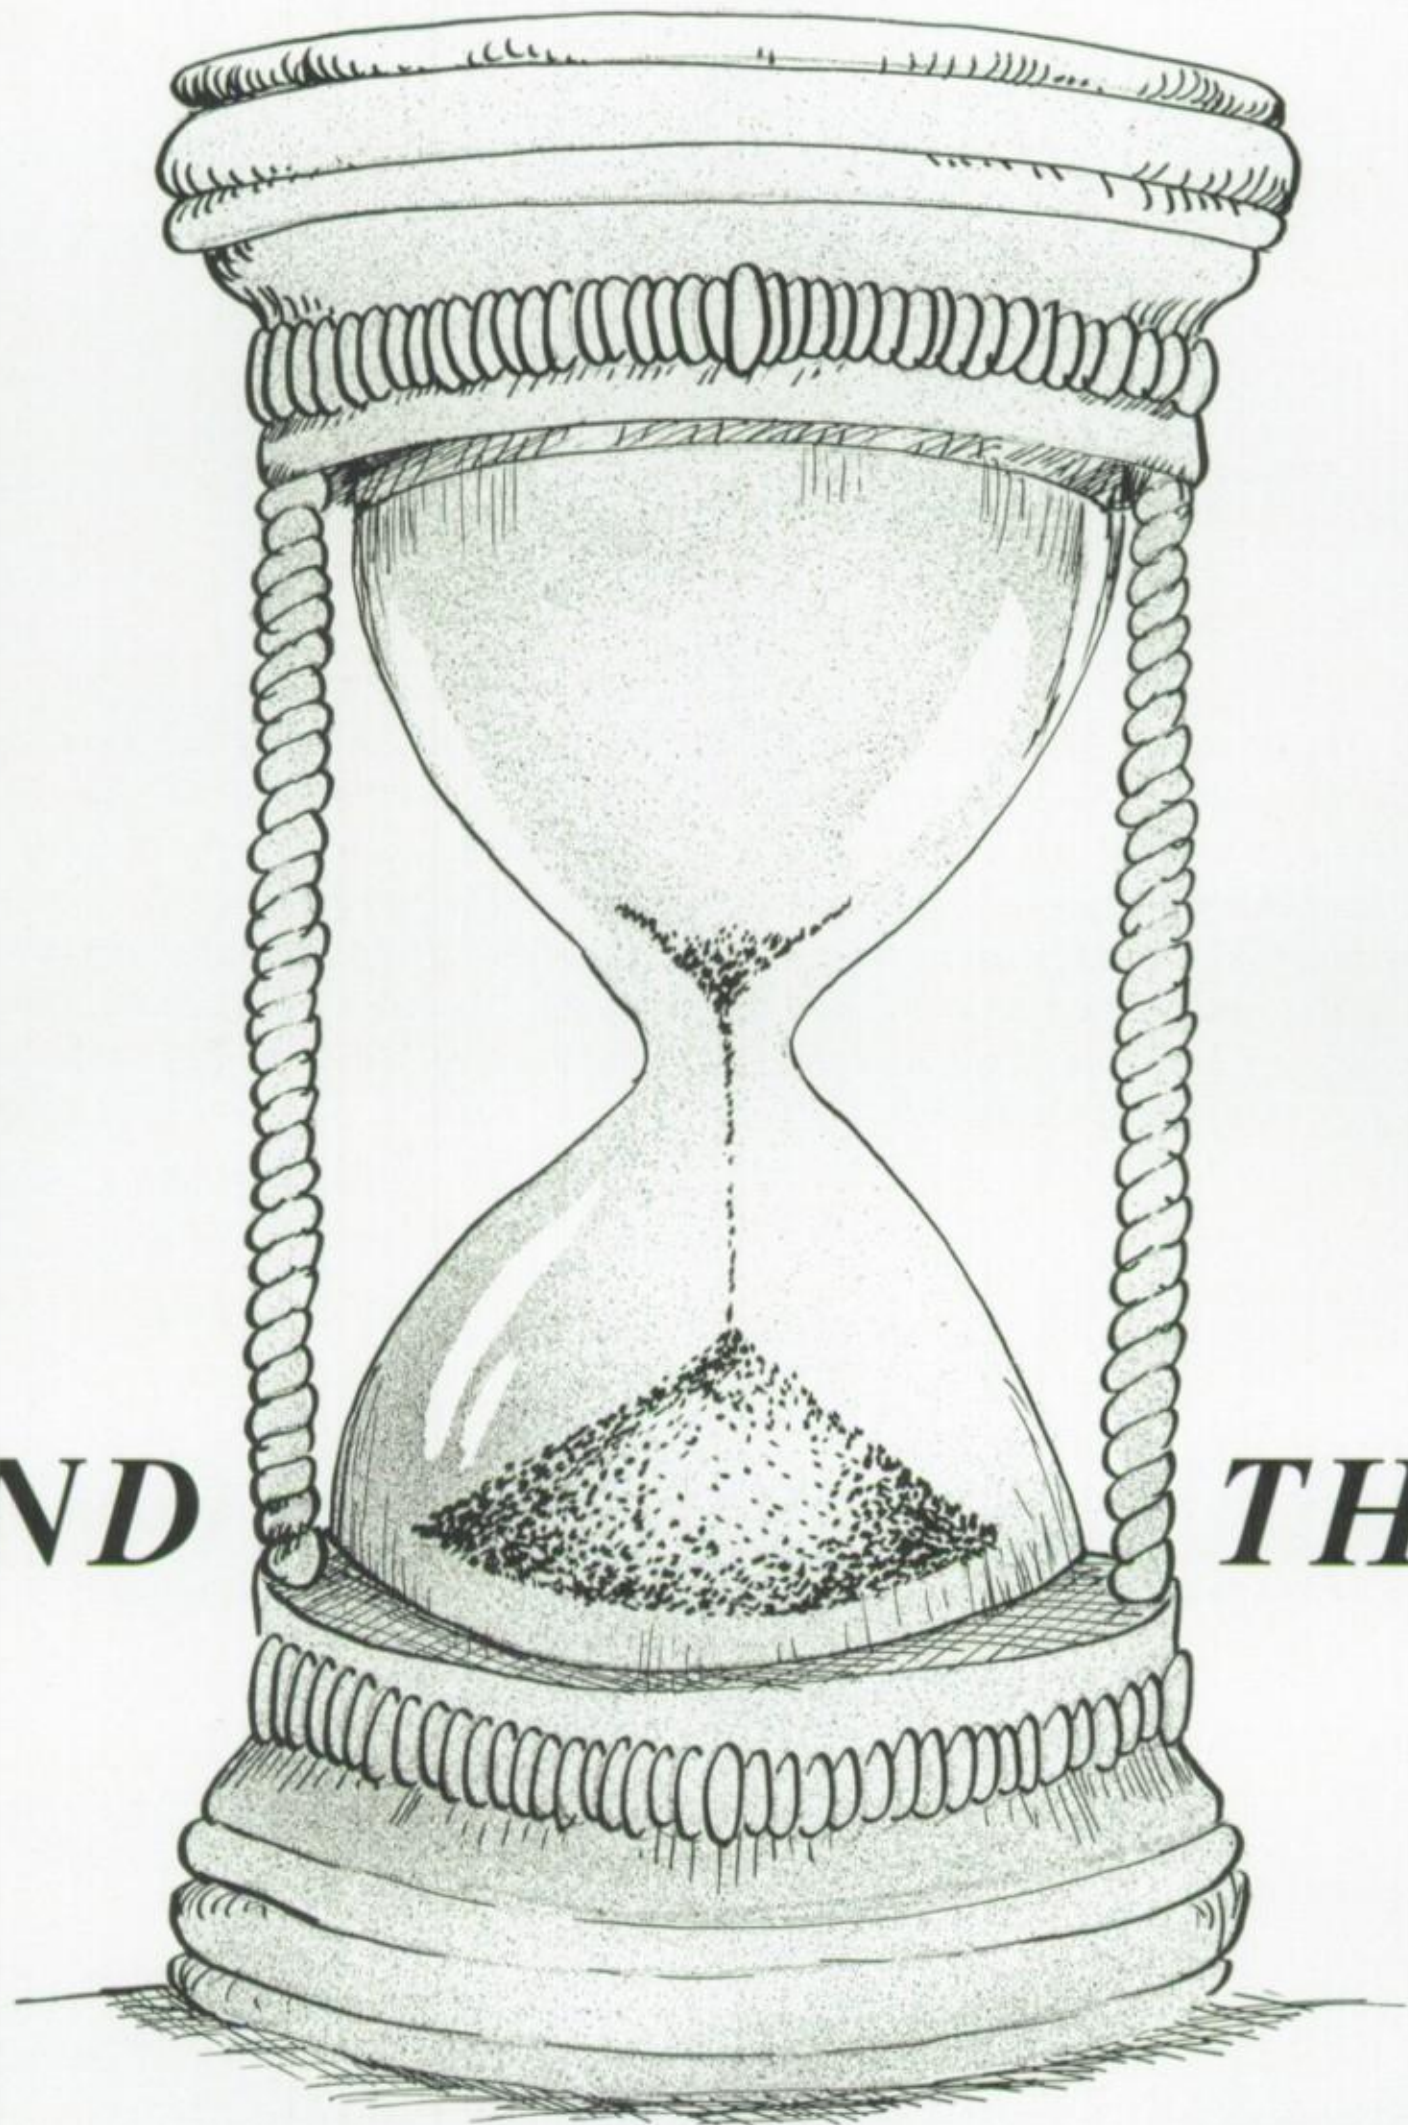

I would like to thank Mrs. O'Connor for all her help and guidance she gave to us throughout the year, to help make Tantus V a success. I would also like to thank Francine Saslo, Sheila Mosley, and Robyn Karosus. Without their help the class of '84 would not have this very special book to look back upon. The secretaries, Mrs. Smiley, and all the teachers who excused us from class also deserve a very special thank-you. I wish luck to the Juniors on Tantus VI, and hope they have as much fun as Fran, Sheila, Robyn and myself have had. Luck and success to the class of '84 and I hope this book wil bring you many happy memories of your years at LHS.
